The Abington High School Hall of Fame was begun in 1988. Nominations can be made by using the form in the newsletter. The nominee must be a graduate of Abington High School. Any graduate who has not yet been distinguished from others in a field, but who shows great potential, should also be nominated.

The Abington High School Hall of Fame was begun in 1988 in conjunction with the Centennial celebration of the school district. The recipients of its first awards were:

Ms. Florence LaRue '60 (in Arts), leader of the internationally known singing group, Fifth Dimension, and winner of six Grammy awards;

Ms. Ellie Daniel, '68 (in Athletics), gold, silver, and bronze Olympic swimming medalist;

Mr. Harry J. Wilkinson, '55 (in Business), long-time business friend to Abington and president of SPS Technologies;

Dr. Amar G. Bose, '47, (in Science), recipient of the Inventors of the Year Award, 1987, and a leader in the development of electronic and stereophonic technology.

MARY EMMA SCHWARZ '38

The 1938 Oracle records the following about Mary Emma Schwarz:

"Cupid" to her friends*****aspires to be an artist*****

In this case Abington's respected publication was on target, because Ms. Schwarz's oil painting "Baltimore Backyard at Christmas" was selected by the American Heart Association to be printed on its 1988 Christmas cards. The sale of these cards raises funds for the Heart Association.

Mary Emma trained at Philadelphia's Moore Institute and has received many awards for her works. As a designer in drafting and a teacher at Kenwood Adult Education Center, Ms. Schwarz has helped hundreds of students learn the joy of design and art.

While she has chosen not to sell her works for her personal gain, she has donated some to non-profit organizations. Such generosity has enabled the Class of 1938 to sell her art and contribute the funds to the Scholarship Fund.

ANONYMOUS DONOR

We were fortunate again this year to receive a gift of \$1000 for the Scholarship Fund. The donor, a graduate of A.H.S asked that she remain anonymous.

Please keep in mind that any donations you may wish to make to the Association qualify for a tax deduction.

IMPORTANT AGENDA ITEM

The Executive Council of the Alumni Association would like your vote of agreement at this year's Nov. 10 dinner dance to change the annual dinner dance meeting to early May 1990. We would like your approval, also, to extend the terms of the present Officers to the date of that meeting.

Some of the reasons for this recommendation are: competition with class reunions, the 50 Plus Luncheon, as well as the Hall of Fame Dinner which is scheduled each year in October.

FALL 1989

NEW PRESIDENT

Nancy Burger Stewart

What a surprise to see Nancy Burger's picture under the heading of President of the Abington Alumni Association! No one was more surprised than I when I was nominated last November. I have fumbled and stumbled along for the past year, made some growth moves, and a few changes. I look forward to the challenges of the year ahead.

I am overwhelmed with sadness when I realize that Abington High School is one hundred one years old, we have had 31175 graduates, and yet we only have 7500 Life Members of the Alumni Association. In talking to many past graduates this year and explaining to them about Life Membership, the most common response is, "I don't even know if I'm a Life Member." When I check our extensive files I find that 8 out of 10 are not. A Life Membership costs only \$10. In speaking with past graduates I also discovered that very few are aware of what the Alumni Association actually does. We keep active records on everyone who graduates from Abington. That is to say, as active as we can, because when most of you move we are usually not among the groups notified of your new address. When your personal class prepares for a reunion, it's our records that get that invitation to your door. The most important thing we do, however, is to award each year a number of scholarships to deserving students. (See article p.6)

We, your Alumni Association, have

GALLOPING GHOSTS

Do you know how the name "Galloping Ghost" originated at Abington High School? It started about 1926 when Glen Snodgrass was a very successful football coach at A.H.S. Prior to his arrival, the High School had no mascot or descriptive slogan as it's rallying focus. Coach Snodgrass wanted his teams to be recognized as Abington "(something)." He had attended the University of Illinois where Red Grange was his teammate. Red Grange was one of the greatest football players of all times - all American halfback 1923 and 1924 and all-American quarterback in 1925. He was known as the Galloping Ghost because it was almost impossible to tackle him.

Coach taught the Abington team the basic Illinois system of plays and used Red Grange as the inspiration for the backfield men, thus Abington became the "Galloping Ghosts."

In those days, Abington had a real "Galloping Ghost" because Doris Vansant '32 dressed as a ghost, and on her horse, galloped around the field during the pre-game and half-time.

another greater problem. WE NEED ACTIVE VOLUNTEERS. We need new officers and we need willing hands to help out with assorted tasks and projects. We have six members of the Executive Board who have been active in our association for over 25 years. They would like to retire, but are unable to do so without your help. I am the youngest member of the Executive Board. Can you imagine a '55 graduate being the youngest member? Being active in your Alumni Association can only improve the work we can do and our further growth.

My best to all Alumni, let us hear from you. Tell us what you are doing, etc., and we'll try to print it in our next newsletter. And if you're not sure if you are a Life Member send us the \$10.00 anyway, if you're not we'll sign you up and if you are we will put it towards next year's scholarships. Please help me make our association successful.

HALL OF FAME HONOREE

Russell Parkhouse

The Hall of Fame Committee and The Alumni Association have agreed to recognize a prominent deceased Abington graduate. This award will be given every other year to a member who will be selected by the Alumni Assoc. This first year the Association has appropriately chosen Russell Parkhouse.

Mr. Parkhouse, who died Jan. 2, 1986 was chairman of the Board of Montgomery County Commissioners for 19 years. He moved to Abington Township as a boy and was an active soccer, basketball and track team member and involved in student politics. He worked as an accountant after graduating from the Wharton School of the University of Pennsylvania. In 1942 he was appointed Abington Township Treasurer. After his election as county commissioner Eastern Montgomery County became the seat of county power. He oversaw the expansion of the county courthouse with the geriatric center and enthusiastically supported construction of Montgomery County Community College and development of the public parklands.

During the 1981 Plowshares Eight Trial he scuffled on the courthouse steps with a group of peace activists who had pasted the message "Disarm and Live" on an upside-down American flag. "You can't do that to my flag," he declared before seizing the flag, folding it correctly and returning it to the demonstrators. He was awarded the American Patriot Award for his actions.
