REBUILDING ABINGTON MIDDLE SCHOOL:

Rebuilding Abington Middle School: A new era for education. Abington Middle School is embarking on an exciting journey of transformation. A \$28.5 million renovation and rebuilding project is set to enhance the educational experience for its students and faculty. The Abington School District board has approved the extensive investment plan, which aims to bring the building up to modern standards, making it safer and more conducive to learn.

The decision to move forward with the project comes after extensive evaluations and discussions among school officials, administrators, and the community. A key factor in the approval was the recognition that the school's current infrastructure no longer meets the growing demands of modern education. Issues such as aging facilities, outdated classrooms and limited space for specialized programs have prompted the need for significant updates.

The renovation plan involves a complete overhaul of Abington Middle School's existing facilities to improve its structural integrity, technology access, and learning spaces. This transformation includes the modernization of classrooms, upgrades to the heating and ventilation system, and the addition of new science labs and media centers, which will better serve the needs of students and teachers alike. Additionally, the project will focus on creating more collaborative and flexible learning environments, aligning with current educational trends that emphasize hands-on learning and technology integration.

A crucial element of the project's success is the communities involvement period to move forward, the plan will be put to a public referendum on May 20th. The vote will allow residents to weigh in on the proposed changes and ensure their voices are heard in the decision-making process. By engaging with the com-

munity, school officials hope to foster transparency and ensure the project meets the needs of all stakeholders.

Moreover, the rebuild aims to address concerns related to safety and accessibility. New infrastructure will be implemented to ensure that the building meets current safety standards, offering students and faculty a secure environment. This includes improvements in fire safety, accessibility for those with disabilities, and updates to the buildings structural elements.

The project is expected to bring lasting benefits to both the students and the surrounding community. Not only will it enhance educational outcomes but will also provide a more modern inviting space for extracurricular activities and foster a sense of pride among residents the rebuilding of Abington Middle School represents a significant investment in the future of education in the community with the support of the referendum this initiative will provide the necessary upgrades to create a safe, modern, and engaging learning environment for generations of students to come.

ABINGTON SENIOR HIGH SCHOOL HAS EARNED A PLACE ON THE COLLEGE BOARD'S AP SCHOOL HONOR ROLL FOR THE 2023-24 SCHOOL YEAR.

At the Abington School Board on October 8, Schools Superintendent Jeffrey Fecher said the AP School Honor Roll recognizes schools that have done outstanding work to welcome more students into AP courses and support them on the path to college success.

In addition, the Senior High was recognized with the AP Access Award, which honors schools that encourage more low-income and underrepresented minority students to take AP courses, demonstrating a clear and effective commitment to equitable access to advanced coursework, the superintendent said.

Where are they now?

Charles Cason '50 and Bruce Miller are friends and members of a group of Jazz Aficionados. They both live in Alexandria Virginia.

Rick Arnold '57 retired 20 years ago after successful careers in banking, college professor, and professional accountant. In 1990 he founded a company to build alternative fuel vehicles selling it six years later. Ellen, his wife are both semi-retired in 2007 but continued to be active in consulting, Kwanis International and their church. They lived two years in the Philippines while serving in the Navy during the Viet Nam War and currently live in Central Pennsylvania.

Patty Forgeng Stein '69 is a sales manager in Plymouth Meeting. She is married to Ken Stein, a retired Abington Township detective. They have three children: Hans '99, Caroline '02, and Gretchen '97, a special education teacher in the school district. Patty and Ken still live in Abington and will celebrate their 50th wedding anniversary this year.

Bruce Carter '72 is a retired Pastor living in Collegeville, PA. On March 8, 2025 Bruce, along with 250 other Master swimmers, entered the Regional Masters Swimming Meet at Upper Dublin High School. Bruce competed in six events in one day of competition and placed first in all events in the 70-74 years age group. Bruce intends to enter the National Championship Meet in San Antonio, Texas, at the end of April. Some of you may remember Bruce by his nickname "Brute".

Rev. Jonathan Mason, '90 In July of 2024, Philadelphia Mayor Parker appointed Rev. Jonathan Mason, '90 to the Board of Trustees of the Philadelphia Community College.

Dave Rondinelli '90 is currently a service writer for 3 years at Bryner Chevrolet and still lives in Abington

Flag Carriers Needed June 11

Every year members of the Alumni Association gather on graduation day at 4:15 PM in the cafeteria to have a light dinner and prepare to assist the high school administration to perform graduation ceremonies. Each class is represented by a maroon flag with the year of graduation. After the seniors are seated in the center of the field the pole bearers place the flags in the holders to the left or right of the stage. You are welcome to stay and can be seated off to the right of the stage and watch the ceremonies or leave. You can be on your way by 7:15 p.m. Contact Vicki Turner. Her email address is vickiturner@abington.k12.pa.us She will send you a letter of confirmation.

New Board Members

Mike Sayer I was born and raised in the Abington Woods section of Roslyn, the fourth of five children. I graduated from Abington High School and am a proud member of the Class of 1974. My career as a business manager spans over 48 years, and I continue to work full-time at a large church in Greenville, Delaware. My two children, also graduates of Abington High School, live in Horsham and Willow Grove and have blessed me with three granddaughters. I enjoy gardening, motorcycle riding, and watching Eagles and Phillies games.

Hello, fellow Ghosts! My name is **Andrea Weinberg Jackson**, a proud Class of 1989 graduate and lifelong Abington resident. My husband, Dave ('89), and I have built our lives, raising our daughters, Paige ('19) and Amanda ('21) here in Abington. When my friend and Alumni Association President, Patti, invited me to join the board, I was truly honored. Abington has always been a special part of my life, and I'm excited to give back and support our amazing alumni community however I can!

"In memory of passed board member"

Hank Brusca was born in Fox Chase and finally settled in Jenkintown. He was a graduate from the class of '60. He spent his working career in sales while also being a loyal husband and father. Nicknamed the "Galloping Ghost" by his children, he always maintained his ties to the alumni. He was a member of the Finance Committee for many years.

He spent his last full week with his entire family down at the shore on the beach block watching Walker Texas Ranger, capped off with a Penn State Football victory. His passing was September 4, 2024.

Cell Phones

Superintendent Jeffrey Fecher has sent notice to the school community that cell phone usage will be prohibited in classrooms during the 2024-2025 school year.

High School, cell phone holders will be purchased for use in instructional spaces. This means that each time a student walks into a classroom, they will place their phone into a pocket on the holder, which they will be able to retrieve before leaving class. Exceptions that will be made for students who need their phones for health or accessibility reasons.

ASD believes these changes will benefit our students socially and emotionally, in addition to eliminating distractions in class, as there has been a growing body of evidence about how student mental health has been negatively impacted by cellphones over time.

The superintendent said. "We appreciate the support and understanding of our parents and guardians as we implement these new procedures to benefit our entire school community, the most important of them being our students, teachers, and staff."

Sports

Congratulations to Mr. **Bill Neely**, Abington Senior High School paraprofessional, athletics coach, and Class of 1970 alumnus, on his induction into the Pennsylvania Sports Hall of Fame – Montco Chapter! A lifelong Abington resident, Mr. Neely has made a lasting impact as both an athlete and coach, excelling in basketball, football, and track & field. At Norfolk State, he was a CIAA and NCAA Small College Team Champion, and since 1991, he has coached Abington's track teams, producing multiple state champions and Olympians. Named PTFCA Indoor Coach of the Year (2002). Since 2021 Neely has served as special education paraprofessional. His dedication to athletics and student success continues to shape the Abington community—congratulations on this well-deserved honor!

This January, Abington proudly celebrated the **50th anniversary of the ASHS Girls' Basketball 1975** team winning the first-ever PIAA post-season tournament for girls. Many original team members reunited to commemorate this historic milestone, while the late, great **Coach Carlotta "Bunny" Schaffer**, former ASHS Athletic Director, was honored for her leadership and lasting contributions to the program.

Adding to the school's proud legacy, **Maya Johnson**, a founding member of the Ghosts' girls flag football team, has been nominated by the Philadelphia Eagles for the Maxwell Football Club National Girls Flag Player of the Year award. Maya played a key role in leading her team to an undefeated spring 2023 season, securing a state championship and earning recognition from the Eagles. This year marks the first time this award will be presented at the Maxwell Awards. Congratulations and best of luck to Maya!

Congratulations to our student-athletes on their All-League Honors! Abington teams excelled across multiple sports, with Cheerleading qualifying for the PIAA Competitive Spirit Championship and numerous athletes earning First and Second Team selections in soccer, cross country, field hockey, football, golf, tennis, swimming, basketball, wrestling, indoor track, bowling, volleyball, lacrosse, baseball, and softball. Highlights include PIAA and District One qualifiers in swimming, wrestling, indoor track, and cross country, as well as state-bound athletes in multiple events.

Congratulations to all our outstanding student athletes and coaches for their hard work and dedication! Your achievements continue to make Abington proud. Go Ghosts!

Courtyard Planned to Honor Extraordinary Alum Ash Carter '72

Ashton B. "Ash" Carter, Class of '72, who served our nation as Secretary of Defense from 2015 to 2017. Ash's service as Defense Secretary was the pinnacle of a stunning career as a nuclear scientist, public servant, leader, and educator. Sadly, we lost Ash prematurely in 2022 at the age of 68.

Ash loved Abington and epitomized its values. He was inducted into the Abington High School Hall of Fame in 1989. Seeking to memorialize Ash's achievements and motivate other Abington students to follow his examples of leadership and patriotism, a group of Ash's classmates and friends have launched an effort to build a courtyard in his name. Located at the school's entrance, this beautiful space will be a place where students, teachers, staff, and visitors can reflect, relax, and connect while on campus.

The Abington School District has approved the creation of the courtyard, which is also supported by the Abington Educational Foundational. Learn more about Ash and the courtyard design by visiting the AEF website at <https://www.aef-pa.org/>. You can help make this courtyard a reality by going directly to this page on the website: <https://www.aef-pa.org/donate-now>.
